**SEXUAL HEALTH IN THE CONTEXT OF INFERTILITY TREATMENT**

All presentations will be in English

Together with FertiForum (a commission of the Swiss Society of Reproductive Medicine) and SANTE SEXUELLE suisse, the International Infertility Counseling Organisation (IICO) is offering a half-day workshop on the theme of sexual health.

This is for colleagues interested in the Swiss specificities of sexual health in the field of infertility and medically assisted procreation. The workshop will also provide opportunities to discuss and share experiences with international colleagues.

We are looking forward to seeing you in Geneva !!
